

AIME North Initiative

Program Description:

The Yves Landry Foundation in partnership with the Government of Canada recognizes that Ontario must improve its competitiveness. And it recognizes that it is a shared responsibility between government, industry and education. It continues to be a challenging time for manufacturers in the province of Ontario and we, at YLF, believe the only response to ensure the future of manufacturing in the province is for manufacturers to become more competitive and innovative. Competitiveness is essential for maintaining Ontario's high quality of life. A competitive economy attracts investments, advancements and jobs for Ontario.

Eligibility Criteria:

Participants must meet the following criteria:

- Between 10 – 500 employees;
- Continuously in business in Northern Ontario for at least 3 years;
- Must be able to demonstrate a solid financial footing over the three year period;
- Manufacturing facility or facilities located in Northern Ontario (Please refer to map on website outlining participation boundaries);
- Manufacture a specific product for sale in Ontario or anywhere else.
- Manufacturing must be the organizations only, or primary line of business.

Funding:

In partnership with the Government of Canada, proudly supported by FedNor, the Yves Landry Foundation is making available up to \$50,000 per company in the form of a grant to foster training that will lead to advancements in innovation within the manufacturing sector in Northern Ontario.

Program Category:

Training, export, business development
