

Northern Ontario Development Program – Youth Internship

Program Description:

FedNor is committed to fostering economic growth and increased competitiveness of Northern Ontario's businesses by working with community and industry stakeholders to invest in projects that improve productivity, reach new markets, facilitate access to capital, foster investment, encourage entrepreneurship and cultivate industry collaboration. Youth internships are to assist with projects related to innovation, the digital economy and trade for a period of 12 months.

Eligibility Criteria:

Young people being considered for a youth internship must:

- be unemployed or underemployed youth (persons aged 30 and under);
- have graduated within the last three years with a degree, diploma or certificate from a recognized post-secondary institution;
- be legally entitled to work in Canada;
- have not previously participated as a youth intern in FedNor's Northern Ontario Development Program or in any other federal or provincial internship program with pay for a period of six months or more; and
- not be related to the directors, officers or managers of the organization.

Funding:

FedNor will contribute up to 50 percent (\$27,500) for the eligible costs of salary, employee benefit expenses, and professional and business skills development and associated travel costs for a period of 12 months in a full-time position.
